## Reminder of Systems Outages

**EFFECTIVE DATE:** June 23, 2016

The BC Oil and Gas Commission is reminding applicants and permit holders that there will be an outage period when systems are down prior to the launch of the new Application Management System (AMS). This outage will be between **5pm on June 23 and 8:30am PST on July 11, 2016**. More information can be found in [INDB 2016-15](#).

Some systems may be available again before AMS launches on July 11. This will be communicated via Industry Bulletin.
