Dear Mark Piercey:

**RE: PRODUCED WATER DISPOSAL SPECIAL PROJECT CANCELLATION
TERVITA MAXHAMISH b-95-H/94-O-11 (WA# 21085)
MAXHAMISH LAKE FIELD – FANTASQUE 'A' POOL & MATTSON FORMATION**

The subject well was drilled and completed in 2006 in the Fantasque 'A' pool but remained unused until 2010, when the well was completed into the Mattson formation. Approval for salt water disposal into both the Fantasque 'A' pool and the Mattson formation was granted on July 29th, 2010. The last reported disposal into the well occurred in January 2016. On November 1st, 2019, Tervita Corporation indicated having no plans for reactivation of this well and concurred that cancellation of the disposal approval is appropriate.

Pursuant to the *Oil and Gas Activities Act (OGAA)* section 75(2)(b), the Commission may cancel, suspend or amend a designation (iii) if the Commission considers that the designation is spent, or (iv) if the Commission considers that the designation is no longer appropriate, including, without limitation, for reasons of (a) public safety, (b) protection of the environment, or (c) conservation of petroleum and natural gas resources.

The Special Project Approval 10-02-006 for the Maxhamish field, Fantasque 'A' pool and Mattson formation well Tervita Maxhamish b-95-H/94-O-11 (WA 21085) is hereby cancelled under section 75(2)(b) of OGAA. In accordance with Section 75(2)(b)(iii), the Commission considers that the designation is spent.

Should you have any questions, please contact Logan Gray at (250) 419-4465 or the undersigned at (250) 419-4430.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ron Stefik', written over a horizontal line.
