## Public Reporting of Short-Term Water Use Approvals

TO: Industry Stakeholders  
EFFECTIVE: Immediately

VICTORIA — Data on active short-term water use approvals is now being reported on the BC Oil and Gas Commission (Commission) website [here](#)<sup>1</sup>. The file is updated every night, and contains a complete listing of all the active short-term water use approvals issued by the Commission.

For each approval, the following information is presented:

- ogc\_file\_number
- application\_received\_date
- application\_approval\_date
- effective\_date
- termination\_date
- client\_name
- wmb\_name (watershed name)
- utm\_zone
- utm\_northing
- utm\_easting
- source\_name
- source\_type
- approved\_volume\_per\_day
- approved\_total\_volume
- approval\_status

This information is also detailed in the Commission's Quarterly Report on Short-term Water Approvals and Use (April to June 2011), also available on the Commission's [website](#).
